

# JOURNAL OF MANAGEMENT STUDIES

## **Journal of Management Studies (JMS) Publishing Workshop**

What topics and research questions are more promising than others?

Why some papers attract more citations than others?

What's the best way to negotiate the R&R process?

How do I get buy-in from reviewers and editors?

Why was my paper rejected and not embraced?

How do I pivot a paper that got rejected?

If some of these questions resonate with you, then this JMS Workshop is for you, and you don't even need to travel to attend it -- it's a Zoom event...:)

**The Zoom workshop will be led by JMS Associate Editors:**

**Christopher Wickert (Vrije Universiteit Amsterdam) will talk about impactful research and scholarship.**

**Brian Boyd (Northern Arizona University) will talk about how to navigate the R&R process.**
